Filling Prescriptions

is an important part of our business, and therefore has our most careful attention.

We believe in doctors. We believe that every man when he is sick ought to call a doctor, and not try to "doctor" himself. We believe that there would be far less sickness far better health if everybody would do everything possible to co-operate with doctors in taking better care of the health. We believe that the best way, always, is to have a doctor see what the matter is and write a prescription for it, and then have a reliable druggist prepare the medicine according to the prescription.

POLICE SEARCHING FOR NEGRO FIEND

Small White Girl Victim of Negro in Henrico County.

The police of Richmond and Henrico county are looking for a negro on the serious charge of criminally assaulting a small white girl.

Just about dark yesterday evening a little girl named Ruth Finchlock, whose father is employed at a barber shop in the city, was endeavoring to dispose of some small bottles of cologne for a society to which she belonged. Near the corner of Ashland and Meadow streets she met the negro in question. He told her he would show her someone who would purchase the cologne if she would go with him. She went, and in the rear of a big brick house he assaulted her, and then ran away.

The little girl, who is only ten years old, came home and told of the affair. The ambulance was called, and Drs. Leonard and Mercer attended her. She was found to be in a serious condition, but the doctors think she will come through the ordeal all right.

The police were notified, and now all the policemen available are after the negro.

A fairly good description was given. He is described as a young man, about five feet five inches, very black, with protruding lips. He wore dark clothes and a black slouch hat, a shifty sort of a man and one who would probably attract attention.

Up to a late hour last night the negro had not been arrested, but the police were active, and two suspects were taken in charge, neither of whom could be identified by the girl.

The county police think they know the man, and feel that they will land him to-day.

NORFOLK WANTS A LINE TO WEST POINT

Mrs. Treat Finds Her Little Daughter Well Enough to Leave Her.

(Special to The Times-Dispatch.)

WEST POINT, VA., May 6.—West Point and surrounding territory have long felt the need of steamboat connection direct with the city of Norfolk. Norfolk thoroughly realizes this need, and a prominent business man of Norfolk is commencing to establish a line to West Point, relative to establishing at least a weekly line of steamers.

A picnic and dance were recently given at the home of Mr. W. T. Neale, 41 Lakeside. Mrs. Montague Kitcher and Miss Annie Field, of West Point, attended.

Miss Ida Roberts is visiting her grandmother, Mrs. W. J. Watkins, at St. Stephens, of King and Queen county.

Mrs. Richard Loveland, of King and Queen, visited her sons, Messrs. Stone, lately.

Dr. Wilkinson, of Baltimore, has been looking around with a view to locating and practicing his profession in this town.

Mrs. Morgan Treat has come home to remain. Her little daughter, Louise, who has been treated for blood poison at the Virginia Hospital, is fast improving.

but will not leave the hospital for four weeks.

Mr. S. W. Giddings, of Newport News, was a guest during the week of Mrs. Ada Knapp. He was in quest of a house in which to move his family. Houses are in great demand, several new houses are building, but are rented already.

Mr. B. W. Edwards left yesterday by steamer for Baltimore to select a home for Baltimore at the close of the session. They are all members of this Baptist Church, and will be missed in the church as well as in the town.

Mr. George C. Governor, of Richmond, was in town during the week, looking after Beach Park. The work, which has been going on all of the winter and spring at Beach Park, is being rapidly pushed to a conclusion. Every thing looks to be a big season.

The prospects are that Mr. Mayhew, State superintendent of the Children's Home Society, will succeed in finding good homes for several homeless children in West Point. Mr. and Mrs. Harry Gentry are going to adopt a little girl.

The Virginia Press Association, that was expected to meet in West Point in July, met in Richmond and decided to go to Asheville, N. C.

Dr. L. S. Polk will attend the Grand Lodge, I. O. O. F., in Lynchburg, May 8th to 12th, as representative of the West Point lodge, No. 224.

Miss Lillian P. Roberts will start Saturday to represent the Rebekah Lodge at the same meeting.

Mrs. John R. Saunders, sister of Mrs. A. J. Montague, was a guest yesterday of her sister, Mrs. Lucy Byrd Dudley, of West Point. She was returning to her home in Saluda after an extended trip as a guest of the Ogea party.

The wreck, that escaped without injury.

Professor Henderson has bought the home of Mr. Benedict, who was mail agent for many years between West Point and Richmond, on Tenth Street, and will move his family there.

Mrs. H. A. Parker has returned to her home at Mt. Landing, Essex county, after visiting Mr. H. E. Topping.

Rev. John A. Sullivan, pastor of the Baptist Church of West Point, leaves Saturday to engage in a revival meeting with the First Baptist Church of Washington, N. C.
